

2018 OLC School Board of Directors Service Award

The School Board of Directors Service Award is given annually during Catholic Schools Week to the OLC school staff member who has been recognized by our families (with input from their children) and fellow staff members for outstanding service. The purpose of the Service Award is to recognize a practicing Catholic staff member who demonstrates exemplary Christ-centered behavior through excellence in service to OLC School. Service for this award is defined as the selfless giving of oneself to benefit others with no expectation of recognition, reward, or acknowledgement.

The ideal award recipient would display a love and understanding of their Catholic faith; articulate a commitment, not just to performing acts of service, but to living a service-focused life; demonstrate awareness that their gifts are blessings from God; and provide evidence of their intelligence, humility, and leadership ability.

The award consists of a personalized engraved trophy, a \$200 check, and name engraving on a perpetual plaque that will be displayed in the school.

Electronic nominations will be collected via SurveyMonkey. All nominated candidates will be presented to the School Board of Directors for the final selection of the award winner.
