Day 8 and I am happy to report we have all survived! We made it through our first full week! It has been great to have some normalcy with the kids back in the building. They have adjusted well to all the changes. We are looking forward to Labor Day weekend and two short weeks.

Welcome Mrs. Rigley: I am happy to announce that we hired a new Social Studies teacher this week for grades 6-8. Wendy Rigley is excited to join our Middle School staff and meet all her new students. A GREAT BIG thank you to Mr. Parker for subbing while we conducted our search. Mr Parker will resume his new duties as the afternoon Kindergarten aide on Monday.

Immediate Openings:

We are still looking for one full-time aide (30-35 hrs/week) and one or two child care aides (10-20 hrs/week). If interested or know someone who might be, please contact me asap! Thanks.

We still have eight days without bussing. Dismissal gets a little better each day. A couple things to remember:

1. Watch your speed
2. Begin a second lane on the back side of school to keep traffic off Northland Dr
3. Please STAY IN LINE! When cars make a u-turn in the middle of the line it is UNSAFE! We will release you as soon as we safely are able
4. We try to fill 4 or 5 cars with kids and then release each line at one time. This allows us to get the kids in place to get in the cars quickly and keep them SAFE. Please be patient if you have to wait. We can't afford to have any of our teachers get run over.
5. Pull all the way up to the front for loading. Watch for directions. Please stay in your vehicles and help buckle younger kids once you have left the line and are in the parking lot.
6. FAMILY NAME SIGNS HELP! Post your signs on your visor or hold them up. We can't read the name if it is lying on your dashboard.
7. If a teacher is frantically waving to get you to pull forward, please do so. We will bring your children to you!

8. Please allow us a little grace as we work to make this efficient.

Have a great weekend!

Mr. Varner
