

Dear Parents,

I have attached the forms for both Lil Cougar Care and Before/After School Program for 2021-22 school year. I am here to answer any questions or concerns, please feel free to call or email. There are a few changes to the programs this year. The financial team at the parish took a look at the program, and in order to be able to continue to offer the convenience of care options at our school, we had to make some changes. Majority of the changes are happening in the BAC program.

- Before Care will be offered **7:30-8:15am**...unless prior arrangements are made
- After School Care will be 3:15-6pm and will be a **set rate regardless of time used** (see form) . You will be responsible for either setting a set schedule for the school year or using our bi weekly calendar to reserve your care spot.
- Drop Ins, must be called into school by **NO LATER** than 2:00pm day of and will be charged a drop in fee.
- Accounts will need to be kept up to date, if you are more than 7 days behind on payments, you will be dropped from care. Please communicate with us if issues arise.
- **Billing will be done bi weekly for BAC and Lil Cougar Care**

Hopefully this will help you in your decision-making should you need care here at school. Please reach out to me if you need any clarification. I will be sending out handbooks to those who have already signed up for care. We would prefer to have all registrations by **NO LATER than July 31**, so that we can concentrate on staffing.

Thank You,  
Abby Petersen
